

## Educational Demographic Grid

In filling out this grid, please count only those students who have already received a college degree and are now pursuing a medical degree. Institutions with combined BS-MD programs should contact us for further instructions.

	Entered in 2014	Entered in 2013	Entered in 2012
Total number entering class (for MD <i>only</i> , not PhD)			
Total percentage of original class (above) who graduated with an MD in 4 years.			
Total percentage of original class who graduated with an MD in 6 years.			
Total percentage of students who graduated with an MD.			
Percentage of the entering class who are U.S. citizens.
