

## **Tell Me More® User Agreement**

The Gold Foundation owns the rights to the “Tell Me More” program and associated materials (together, the “Program”), including all copyrights and the trademark TELL ME MORE (U.S. Federal Reg. No. 4981403, the “Licensed Mark”). This useful tool helps facilitate communication and connection on a more human level. Institutions and health systems license access to the program.

During this time, we would like to make this valuable tool freely available to any individuals on the front lines in the fight against COVID-19. For institutions and health systems that wish to deploy this resource on a systemic level, we will also waive the license fee during this period of time, though we would welcome [a donation to support the work of the Gold Foundation](#) in any amount you feel appropriate through our website.

Therefore, The Gold Foundation is willing to grant, and the Institutional User of the Tell Me More® material and concept is willing to accept, a limited, non-exclusive, revocable license to use the Program and Licensed Mark (Tell Me More®) during the COVID-19 pandemic. No modifications of the Licensed Mark, name, or logo will be permitted. Use of the associated materials should be attributed in print as “Tell Me More® 2018 The Arnold P. Gold Foundation”.
